COMPANY BRIEF

“

WD Associates Co Ltd is a well-established shipping agent in the local maritime market, providing ship agency services to various vessels boarding in Mauritius, including tankers, bulk carriers, oil rigs, drill ships, and fishing vessels.

WD Associates Co Ltd has strong business partnerships with shipping industry players from Greece, Cyprus, UK, France, Spain, Monaco, Switzerland, Singapore, India, and some Far East countries.

”

MISSION STATEMENT

We are committed to empowering local expertise to deliver world-class shipping agency services.

Through our passion for excellence, we strive to provide exceptional service to our customers and help them navigate the challenges of the global shipping industry.

VISION STATEMENT

Our vision is to be the leading supplier of customized and cost-effective shipping agency services, and to be recognized for our commitment to excellence, expertise, and integrity.

By putting people at the center of our attention and respecting all stakeholders, we aim to build long-lasting relationships with our clients, partners, and employees, and become a key player in the global maritime industry.

“

- We aim at being the best in class
- Acting with integrity bounds us to do right things
- Embrace change and thrive for innovation
- People at the centre of our attention; we play as a team
- We care for the world we live in

”

OUR CORE VALUES

THE BACKGROUND

The Directors of WD Associates Co Ltd have extensive experience in the bunkering business, having been involved in the industry for many years. They have established close partnerships with major oil companies in Mauritius and continue to collaborate with stakeholders in the industry.

Their expertise and knowledge of the industry have allowed them to create a bunkering company that operates within the local regulatory framework.

At WD Associates Co Ltd, we are proud of our heritage and the relationships we have built over the years. We look forward to continuing our legacy of excellence in the bunkering industry and to providing our customers with the best possible service.

THE PRESENT STRUCTURE

We understand our customer needs go beyond bunkering, which is why we have created other business units to cater their diverse requirements

Our portfolio of services now includes:

- ❖ **Shipping Agency Services:** We offer a comprehensive range of services for shipping vessels, including vessel clearance, cargo operations, crew change management and port documentation.
- ❖ **Ship Chandler Services:** We provide vessels with essential supplies, including food, water, and other provisions. Our services are reliable, efficient, and cost-effective.
- ❖ **Customized Logistics Solutions:** We offer customized logistics solutions that are tailored to our customer's needs, ensuring efficient and cost-effective transportation and delivery of supplies and spares.
